

PLANTWATCH DATA SHEET

Name:	Year:
Address:	
Town/City:	Postal Code:
Phone:	Fax:
E-mail Address:	

Location of observations: Please fill in a new sheet for each unique location (either copy or call / e-mail me for additional observation sheets)

Location Name: (include nearest city/town and roads)
Please provide the geographic location as best as you can. You may use a street address, a legal land location, latitude and longitude, UTM's from a topography map or any combination.
Elevation (metres):
Comments on the season (weather, plants, insects, etc.):

See the PlantWatch Canada in Bloom Guide or website (www.plantwatch.ca) for information on how to track blooming and leafing-out. Use the back of this data sheet to report your bloom and leaf-out dates. Thank you for your contribution! Please mail your data sheet by October 1st to:

PlantWatch Saskatchewan
Nature Saskatchewan
206-1860 Lorne Street
Regina, Saskatchewan S4P 2L7

Phone: (306) 780-9273 or 1-800-667-4668
Fax: (306) 780-9263
E-mail: plantwatch@naturesask.ca

When you send in your data sheet to PlantWatch Saskatchewan by October 1st, your name will be entered into a draw for some great prizes!!

*Thank you, PlantWatchers! Every observation counts
...reporting even ONE flowering date for ONE plant is a
GREAT contribution!*
